The premises are available at all times.

- Please note that the consumption of alcohol brought onto the premises by hirers is not permitted
- The management committee will require you to complete a separate form detailing your requirements.
- Where a licensable event is to be held for which the premises, or that part of the premises, are not licensed the Hirer shall be responsible for obtaining such authorisation as may be needed.
- The hall has a licence with the Performing Rights Society for the performance of copyright music.
- In order to hold a licensable activity not covered by the Hall's Premises Licence, such as an extension to the Licensing hours, a Temporary Event Notice (TEN) will need to be given to the licensing authority.
- Hirers should note that there is a limit to the number of such TEN's the hall can obtain during the year and so should check availability with the Bookings Secretary.

Licensed Premises

Hanney War Memorial Hall is licensed and has a bar which is the property of the Hall Committee. Users of the Hall are not generally permitted to bring alcoholic beverages for consumption on the premises, except on special occasions such as a wedding reception where sparkling or other special wines might be required not normally held by the bar, when arrangements can be made if a wider selection is required in consultation with our Bar Manager. Our licence makes us responsible for compliance with the licensing laws on the premises and the need to restrict consumption of alcoholic beverages to those available from behind the bar.

Booking the Bar

Please state on the booking form for what hours you require the bar. Any special arrangements, for example table service of wine, cheque payment of the bar bill, etc., should be agreed with the Bookings Secretary at the time of booking. The Committee will not approve any extension beyond midnight. When the bar is booked for a function the normal closing time of the bar on weekdays is 11.00pm and on Sundays is 10.30pm. The licensing department of the Vale of White Horse District Council may grant an extension to these normal licensing hours for 'special' occasions'. If an extension is desired, at least six weeks notice is required for the application to the VoWHDC to be processed. The application must be accompanied by a letter of support from the hirer stating the type of function, hours required, and the age range and numbers of those attending. The Hall must be informed beforehand of the intention to ask for an extension. When the Bar is booked, all alcohol consumed on the premises must be purchased from the Bar and it is not permitted to bring alcohol into the building due to licensing laws.

18th Birthday Parties

18th birthday parties may be booked for Hanney residents only. The Committee will not approve an extension for such a party and require that a parent or guardian of the person whose 18th birthday is being celebrated attend the function and takes steps to ensure that no alcoholic liquor is bought by or for anyone aged under 18. If parents or guardians are not present the bar will close. In case of doubt, the bar staff require proof of the age of anyone seeking to purchase alcoholic drinks or tobacco.
